# Golf Tomorrow!

....chase away those "weary winter blues"

Has winter's grind left you feeling tired out—below par? Then pack up tonight and play golf at French Lick Springs tomorrow morning.

You'll find sporty fairways and excellent putting greens on two fine golf courses waiting for you. Fine saddle horses and winding bridle paths, if you like to ride. Delightful woodland paths that make hiking an adventure.

If you wish, you can take the tonic waters and baths for which French Lick Springs is noted. Many people take them regularly each spring as a post-winter "cure."

And in addition to all this—you'll find the sort of rest and relaxation that renews energy and zest for living.

This is a vacation you *really* need. Plan now for 10 days or 2 weeks at
