

The Monon Railroad Historical-Technical Society proudly presents Cookie Eberhard's Monon Collection, a series of photo CD's which contain a large part of the photographic material Cookie has collected during his forty year career with the Monon railroad.

This initial offering will be four CD's, Volumes 1 thru 4, and may well be followed later by additional CD's because Cookie has suggested that we copy his entire collection, a most generous offer and one that will be appreciated by the Society membership.

Each CD will have approximately 200 images on it, and will together cover a variety of subjects including locomotives, trains, bridges, physical plant, and major derailments.

To order Cookie Eberhard's Monon Collection, please visit our On Line Store at www.mononstores.com or print this flyer and send payment to:

Monon Railroad Historical-Technical Society Store
P.O. Box 8074
